

SUMMER JOBS

Excite All Stars Summer Camp

STEM Coach

- Ability to create an encouraging vibrant, inclusive and exciting classroom environment for all students
- Experience and familiarity with the principles of student-centric instruction and project-based learning
- Passion, interest, and curiosity for STEM, making, and technology
- Must pass criminal background check in accordance with LA State law

Responsibilities for all Coaches

Include:

- Attendance at Orientation and Training meetings
- Planning of daily lessons and activities
- Delivery of lessons and daily supervision of students
- Coordination and management of Assistant/Coach or volunteer assigned to the class

Sports, Recreation & Outdoor Education Coach

- Develop age appropriate activities that keep children active and help them develop skills, teamwork and sportsmanship
- Use group management skills to engage all children in daily activities

Some sports and recreation instructors specialize in specific activities such as soccer, outdoor education, basketball or tennis. Others will lead a variety of activities such as ultimate frisbee, rookie rugby and lacrosse. Sports instructors must be at least of college age and have experience organizing relevant activities. Instructors must participate in instructor-based training and five days of all staff training before camp begins.

Visual and Performing Arts Coach

- Plan activities that give children the opportunity to express themselves creatively
 - Facilitate activities that give children a sense of accomplishment that comes from mastering techniques and completing projects
-
